

XVIII MIDDLE-EUROPEAN BUIATRICS CONGRESS & XXVIII INTERNATIONAL CONGRESS OF THE HUNGARIAN ASSOCIATION FOR BUIATRICS

“EFFECT OF BOVINE, OVINE AND CAPRINE HEALTH ON PRODUCTION EFFICIENCY”

INVITATION: The Hungarian Association for Buiatrics is very pleased to invite you to participate the XVIII Middle-European Buiatrics Congress & XXVIII International Congress of the Hungarian Association for Buiatrics, which will be held in Hotel Eger & Park, Eger, Hungary between May 30 and June 2, 2018. Lectures and posters will be presented on May 31 and June 1 while on June 2 a workshop will be organised, however the program may change accordingly. The programme of the Congress will aim at updating the scientific knowledge and professional skills of veterinary surgeons and stock breeders in bovine, ovine and caprine practice to enable them to achieve an ever-increasing qualification and help the veterinary surgeons and stock breeders get more familiar with each other. In addition to the scientific programme social programmes will be organised for the participants and accompanying persons. The exhibition area will serve to present products manufactured by various companies. The organisers will spare no efforts in offering you successful and agreeable days in Eger, Hungary.

CONGRESS VENUE

Hotel Eger & Park****

Eger's established hotel complex, the Hotel Eger & Park, is situated in the town centre, next to the renovated Gárdonyi Géza Theatre. The Park Hotel (built in baroque style at the beginning of the 20th century) and the Eger Hotel (built at the beginning of the 1980s) are connected by a new wing. Physico-therapy, electrical treatments, yoga, gymnastics, water exercises are provided for the hotel guests.

OFFICIAL LANGUAGE and REGISTRATION:

The official working languages will be English and Hungarian. Simultaneous translation will be provided for all scientific sessions. Please complete the enclosed pre-registration form and return it together with your abstract(s) to the Congress Secretariat, not later than March 2, 2018. The registration fees and the accommodation costs are published for your information only; payment should be effected upon receiving detailed instructions in the second announcement.

CALL FOR ABSTRACTS: The organiser of the XVIII Middle-European Buiatrics Congress & XXVIII International Congress of the Hungarian Asso-

ciation for Buiatrics is very pleased to invite you to contribute to achieve the original goal in updating scientific knowledge and professional skills of veterinary surgeons and stock breeders in bovine, ovine and caprine practice by presenting papers related to the subjects aforementioned and/or by an active participation in the scientific programme. If you intend to present a contribution to the congress please indicate on the reply card and send an abstract of your paper with maximum of 300 words, to the Congress Secretariat before **March 2, 2018**. The abstract should be as informative as possible. It should contain the specific objectives, experimental methods and statistical analyses employed, together with a synthesis of results and conclusions. The text should be written single space with double space between paragraphs. A blank line should be inserted between title and author(s) and affiliation(s), and between affiliation(s) and the text. Title and author(s) should be in 14-point font in bold, centred on the page. The type face should be in Times New Roman. The presenting author's name should be underlined. Affiliation(s) and text should be in 12-point font. The text should be sent by e-mail to **szenci.otto@univet.hu**. Contributors will be notified shortly after submission about the acceptance of their abstract, but not later than **March 23, 2018**. Abstracts must be submitted in English. It is planned to publish the accepted abstracts in the Proceedings. Publishing is conditional upon at least one author registering at the congress.
